Westside Montessori School 40th Annual Gala 2018 *40 years of academic excellence*

Dear Parents,

As we celebrate the beginning of a new year, we are excited to announce our 2018 Annual Gala and to welcome you to our first newsletter. This year's Gala is a special event for our school as it marks 40 years of educational excellence.

Our Annual Gala

The Westside Montessori School Gala is our school's signature fundraiser and most awaited social event. Our Gala is a lot more than a money maker. It's a community builder! It is an occasion for the parents who support our school to come together and socialize, relax and get to know one another.

We invite family and friends to share with us this memorable evening that begins with cocktails and a silent auction followed by dinner, a live auction, and dancing. You don't want to miss it! Alumni of Westside Montessori, past board members and past teachers are also warmly invited to join our celebration of 40 years of our Westside Montessori community. Proceeds from this year's fundraising will enable the school to continue to grow its newly launched middle school, provide continuing education programs to its teachers, and supplement or replace Montessori learning materials in the classrooms.

One great school, one great party
